

## **Infiniti Wireless Solutions, LLC**

offers a new approach to designing and implementing on-site/city-wide communication rental systems for local and nationwide clients hosting meetings, conventions, incentive programs and special events for a short- or long-term basis. We are conveniently located in the Indianapolis area and our staff has designed and coordinated communication rental systems for over 20 years.

We feature radio rentals including the rental of Motorola two-way products, Nextel units, wireless network cards and satellite phones. Our daily, weekly or monthly rental packages can include accessories such as lightweight or dual-muff headsets, speaker mics and earpieces. In addition to audio accessories, we offer base stations, on-site portable repeaters and customized programming.

6100 Clarks Creek Rd., Ste. 104  
Plainfield, IN 46168
